

## How to use the Bain Marie

- 1) Set on table/surface that you are going to use the Bain Marie on before filling with water.
- 2) Plug into power – Festival Hire does not recommend the use of extension leads.
- 3) Make sure the tap is CLOSED
- 4) Bring the water to the unit. – Hot water is best.
- 5) Take out the dishes and lids and fill with water until the element is covered in water.
- 6) Turn the power ON!!
- 7) Replace dishes and lids.
- 8) Set temperature gauge.
- 9) Remove lids and fill with HOT food.

**\*Empty the unit of water by opening the tap on the side of the unit.**

**\*Please rinse the dishes and lids before returning**
