# ABOUT US AND OUR MARQUEES

Whether you're planning a wedding, large corporate event, a family reunion, birthday or an intimate dinner party, we have the perfect marquee and accessories to support your special celebration.

With a vast inventory of sizes and accessories, Festival Hire can offer everything you need for end to end event success. No matter the size or scope of the event, we can supply the right marquee to create your vision. We also supply additional infrastructure like dancefloors, heating, portable toilets, chiller trailers, furniture, glassware and more.

Our experienced team will aim to install at least one to two days before your event to allow you time to work your magical and a stress free setup time. Following your event we will return to packdown at least one full day following your event.

All of our marquees are from a New Zealand company, meaning they are made to better withstand our unique climate, safer in winds and visually look great in our stunning environment.

Our team includes professionally trained and accredited APEX marquee installers. Festival Hire's Director Greg is one of only 3 qualified APEX Level 3 marquee installers in NZ.

If you can imagine it, Festival Hire can bring it to life, creating the perfect setting for your guests, vendors and entertainers.
